

## Install a CLERAL on-board truck scale and dramatically increase your profits!

Here's how you can immediately increase your revenue. Install a Cleral on-board truck scale. Consider these numbers....

OURS	YOURS	
1	_____	Truck/s (tractor/trailer).
80,000lbs	_____	Maximum load.
78,000lbs	_____	Average load.
2,000lbs	_____	Average under loaded.
\$50	_____	Rate/100lbs (cwt) LTL.
\$1,000	_____	Revenue gained per load.
1	_____	# of loads per week.
\$1,000	_____	Revenue gained per week.
50	_____	Operational weeks per year.
<b><u>\$50,000</u></b>	_____	<b>Revenue increased per year.</b>
3	_____	Trips to certified scales per week.
\$8	_____	Cost per weigh at certified scale.
\$24	_____	Scale fee savings per week.
<b><u>\$1200</u></b>	_____	<b>SCALE FEE SAVINGS PER YEAR.</b>

Insert your own numbers. After interviewing many operators these numbers are considered to be conservative.
